

## A GOLDEN OPPORTUNITY FOR THE MICROENTERPRISES OF THE SECTOR

**THE MICROENTERPRISE AREA** is a project that allows small-sized companies to take advantage of the opportunities offered by **BIE - BRESCIA INDUSTRIAL EXHIBITION**, a specialized exhibition. The main goal of this project is to involve small businesses (active in **mechanical subcontracting**, **third-party manufacturing**, **mold manufacturing** and **services for the companies**) in **BIE - BRESCIA INDUSTRIAL EXHIBITION**, where they have the opportunity to increase their customer portfolio in a specialized context.

In order to simplify the participation for these small-sized companies, **THE MICROENTERPRISE AREA** is proposed as a "Turnkey" solution, in order to promote production plants of the territory.

### The turnkey solution includes:
